Da durch einen den 27. Juli 1768 eingelaufenen Allergnädigsten Königl. Special Befehl eine neue Einrichtung der Inscription vorgeschrieben worden, so ist dieser Befehl hier beygefüget und nach demselben die Inscription eingerichtet worden: fol. 329'

„Von Gottes Gnaden Friederich, König in Preußen, Markgraf zu Brandenburg, des Heil. Römischen Reichs Erz Cämmerer und Churfürst.

Unsern gnädigen Gruß zuvor! Würdige, veste und hochgelahrte liebe Getreue. Es scheint bisher bey euch wie auf andern Universitäten üblich gewesen zu seyn, bey der Inscription der neu ankommenden in dem Albo studiosorum nur den Tauf- und Zunahmen und Patriam derselben überhaupt bloß in Ansehung der Provinz zu bemerken. Da sich aber schon oft besonders auf andern Universitäten hieraus in der Folge erwachende Zweifel und Ungewißeiten hervor gethan, so haben wir gnädigst zu resolviren geruhet, daß um ins Künftige die Einschreibungen genauer zu verrichten, in dem Albo Colonnen gemacht und nachfolgendermaßen rubriciret werden sollen:

- 1) Die erste Colonne enthält die Nummer.
- 2) Die zweite das Datum der Einschreibung.
- 3) Die dritte den Tauf- und Zunamen des Inscríbendi.
- 4) Die vierte den Tauf- und Zunamen, ferner den Stand oder Character des Vaters, er mag am Leben oder schon verstorben seyn.
- 5) Die fünfte das Domicilium des Vaters oder wenn derselbe bereits verstorben, der Mutter, oder falls auch diese schon mit Tode abgegangen, den Ge-

burthsort des Inscríbendi selbst und zwar nicht bloß die Provinz oder Grenz, sondern über dieses namentlich auch die Stadt oder das Dorf;

worbey über alles dieses annoch ein Registre nach denen Geschlechtsnahmen derer Inscríbendorum angefertigt werden muß.

Ihr werdet von selbst einsehen von was für Nutzen in verschiedenen Gelegenheiten diese von nun an bey denen Einschreibungen zu beobachtende Accuratesse seyn kan, welche bey jeden Fall nur einige wenige mehrere dem Inscríbendo vorzuliegende Fragen und überhaupt sehr wenig Mühe erfordert.

Wir wollen dahero nicht nur die genaue Befolgung dieser Vorschrift, sondern anneben noch ferner gnädigst gewärtigen, daß wenn künftig von einem oder andern Studioso etwas einberichtet oder attestirt wird, sodan jederzeit außer seinen Namen auch des Namens und Standes seines Vaters und des Loci domicilii des selben bestimmte Erwähnung geschehe, sind euch mit Gnaden gewogen.

Gegeben Berlin den 20. Jul. 1768.

Auf Seiner Königl. Majestät allergnädigsten Special-Befehl

1) Von hier an beginnt eine neue Einrichtung des Druckes. Während die Originalmatrikel in Folge der vorstehend mitgetheilten Allerhöchsten Ordre mit ihren vielen Rubriken jetzt je zwei Seiten füllt, ist hier zu Gunsten der Kürze und Übersichtlichkeit des Druckes von einer wörtlichen Wiedergabe des Textes Abstand genommen und folgende Einrichtung getroffen worden: 1. Die Vornamen sind in deutscher Form gegeben und häufig abgekürzt. 2. Der Name des Vaters (bez. der Mutter) ist fortgelassen. 3. Die Angaben über den Tod der Eltern sind durch ein + wiedergegeben. 4. Die Statut ist in der Regel durch die Anfangsbuchstaben th. i. m. ph. [cameralia] [oeconom.] b. l. [bonae litterae] u. a. ausgedrückt. 5. Die Rubrik für das Domicil des Vaters ist, wo sich dasselbe mit dem Ort der Herkunft des Sohnes deckt, fortgelassen, wo der Vater todt ist, ist der Wohnort der Mutter angegeben; die sicheren Ortsnamen sind in heutiger Form, der Stand des Vaters jedoch ist in der Regel im Wortlaut des Originals mitgetheilt. 6. Wo die Namenreihen der ersten Rubriken Zusätze und vergl. m. in so großer Ausdehnung enthalten, daß sie die Übersichtlichkeit des Textes stören, sind dieselben in eine Rubrik „Bemerkungen“ verwiesen.
